**Support Statement for
Pharma.Aero organization**

Pfizer believes in the added value of the Pharma.Aero organization and will give its active support.

We will collaborate in projects with other Pharma.Aero members, in order to achieve excellence in reliable end-to-end air transportation of pharmaceutical products.

We also will evaluate an involvement in the Board of Directors of Pharma.Aero, in order to give guidance to this collaboration group.

Signature:

A handwritten signature in blue ink, consisting of several fluid, overlapping strokes.
