Kick off project groups

Dear member,

The different project groups have been announced last week and we look forward to your active participation.

As discussed during the information board call we kindly ask you to indicate in which projects you will be participating by the end of next week latest, 23 June.

In order to ensure a smooth kick-off of the project groups we expect each strategic airport member to play a coordinating role in one of the projects and each full member to participate in one or more projects groups.

Please forward your selection to administration@pharma.aero

If you would have any open questions, please do not hesitate to contact us.

FlyPharma report

During the 2nd day of the Fly Pharma Conference in Brussels, Pharma.Aero hosted a panel discussion on the topic of "Putting collaboration into practice". It was a successful and interesting discussion with the audience thanks to our participating members: **Brussels Airport, Expeditors, Singapore Airlines, Brussels Airlines, Pfizer and MSD.**

General Meeting

The next general meeting will take place in Budapest on the 19th of September as from 12h00, with a networking dinner in the evening.

All the strategic members (pharma shippers and airports) are invited to confirm their attendance to administration@pharma.aero by the end of June latest. We kindly remind that the Pharma.Aero statutes require a minimum of 50% of the voting members to be present, in order to vote on strategic priorities, budget allocation and changes in the status. No proxies are allowed.

The executive committee also invites all the full members to attend the board meeting, allowing them to voice their opinion and to actively participate in the discussions. Please confirm your attendance by the end of June latest.

The agenda of the general meeting will be published one month before the meeting date. Do not hesitate to contact the executive committee if you would like to add a specific item to the agenda.

Next Events

The general meeting will be organised adjacent to the CCA Pharma & BioSciences Conference, where Pharma.Aero has been invited to host a panel discussion. More details on the agenda and reduced delegate fees for our members will follow soon.

18 & 19 September, Budapest:

- 5th CCA Pharma & BioSciences Conference
- 2nd Pharma.Aero **General Meeting** on 2nd day
