### 4 NEW MEMBERS

We are happy to announce you our 4 new associate members DuPont, Innolabel, Validaide and va-Q-tec.

## Technical reports finished

Two projects have reached their final stage, drafting a Technical Report. The first project group that came up with a report is the **CEIV Project group**, consisting of all the Pharma Shipper members and led by Brussels Airport Company. The second report is written by the **Digi project Group**, with Changi Airport Group and Pfizer in charge.

The technical reports can be found on the back office of the [Pharma.Aero](#) website (*Files > General Assembly > Technical Reports & White Papers*). The folder "General Assembly" is only accessible for Full and Strategic Members. In case you have troubles with logging in into the cloud tool of our website, contact our [Admin support](#).

## General Assembly & Activities in Brussels

From the 24th to the 26th of September, a lot of activities are planned in Brussels! All activities - Project Meetings, visit to Johnson & Johnson and the Networking Dinner event in the evening - are accessible for all members, with the exception of the General Assembly, which is for Full and Strategic Members only. Click [here](#) to see the detailed overview.

In case you didn't inform us about your attendance yet, please let us know by clicking on the [link](#). We hope to see you all in Brussels!
